GENERAL INFORMATION

This information is offered to assist guests when making their reservation and offered in anticipation of the Le Mans Classic 2018 announcements made by the race organisers.

We participate at the Le Mans Classic events as Club LeMob and to take advantage of the special club facilities available all our guests are automatically given complimentary membership of Club LeMob. We are required to comply with the organisers rules and regulations and provide guests with the following information.

Club LeMob Circuit and Paddock Entry Passes.

These circuit entry passes are available exclusively to our CLUB and EXECUTIVE package guests and also include entry to the paddocks plus exclusive parking in our Club LeMob enclosure providing they meet with the "Happy Few" conditions. All passes must be presented on entry to the circuit and enclosures.

Club "Le Mob" inside circuit privileged parking enclosure.

We have our own designated Club LeMob parking enclosure situated inside the circuit. It is a requirement of the organisers that club parking enclosures provide visitors to the Le Mans Classic with an interesting display of pre "66" classic cars and high performance sports cars. Therefore only those arriving in cars which are pre "66" or comply with a selected list of accepted vehicle types and models known as the "Happy Few" can be allowed in the Club "Le Mob" enclosure. Guests with non complying cars, will require a Club "Modern Car Park" pass situated on the outside of the track.

Club Stand Tickets.

The organisers designate certain stands on the circuit for Clubs. We are offering Club Stand tickets at a special rate to CLUB and EXECUTIVE package guests, members of Club LeMob.

Track Laps

As in previous years the number of "Track Laps" available are strictly limited and allocated by the organisers. Participants drive, normally two laps of the full Sarthe circuit approximately 18miles, behind a pace car at designated times on both Friday and on Saturday morning before racing starts. The tickets are available on first come first served with a full refund made to those who are unsuccessful in gaining a place. Participants must be in a car that is eligible for our enclosure i.e. Pre "66" or from the list of "Happy Few". You are advised that our track lap session time will be allocated and could start at 8.00am in the morning. We will give you prior notice of the exact time but you should be prepared to get to the circuit at least 30mins before you allocated time. Cars will be escorted from our enclosure to the track entrance.

Reserving Circuit Passes

All requests for our Club LeMob Circuit Package Option Passes must be accompanied by payment in full when submitting this booking form. We regret that we are unable to consider applications submitted without payment. We will advise you if your request for track laps is unsuccessful and refund you the full amount paid.

Confirmation of Circuit Booking

You will receive a formal confirmation of your reservation including circuit passes by email or post. Please note all circuit passes will be found in your welcome pack on arrival at Le Mans along with reserved meal tickets etc.
